New Delhi.

Respected Sir,

Greetings,

It is to bring to your kind notice that our company VPGP CONSULTANCY Private Limited, established in the year 2017 with the mission of Promoting International Trade Pertaining to Export and Import Between India and primarily with Iran. www.vpgpconsultancy.com

Our company is a member in the Chamber of Commerce for Iran Trade Promotion (CCITP), Hyderabad, since 2017, taking it as an Opportunity to do Business with Iran. Subsequently, our company Advisor Dr. V. P. Nedunchezhiyan, was invited to attend the Tehran Expo 2017, held at Tehran in Nov. 2017. Since then we are in the business with Iran.

As we know that Iran is importing Steel in all forms, we kindly request you to provide a business opportunity to our company, to supply Steel to Iran. We assure you sir, that our company will do it in the best way possible to both of our countries. We are having tie-up with leading Steel Manufacturers in South India who are producing the best Steel billets, TMT bars etc... We can assure you sir that we will do at a competitive price.

Further we wish to state that, Iran is importing Four Wheeler Spare Parts also. Since we have good contacts with the spare parts manufacturers, our VPGP company, will supply the Type and the Quantity of the Spare parts which Iran imports.

Hence, may we request your excellency, to provide necessary **Specification for the Steel**, in any form and **Four Wheeler Spare-Parts**, its **Quantity**, etc. to enable us to quote our price and to proceed further with your advice and guidance.

From Iran we are also interested in Importing Oil and its products, Petro-Chemical, and Mines products etc. to India, Southeast Asian countries and China. At present we deal with Base Oil of both Virgin and recycled. May I kindly request you to guide us to contact the Suppliers and Sellers of the above.

Thanks Your Excellency,
Consultant & Adviser
